

Public Health Minor

(Effective January 1, 2022 and later)

The minor in Public Health consists of PBHL/HAPP 100 and 15 credits in elective PBHL/HAPP coursework (a total of 18 credits). A grade of "C" or better is required in each of these courses and a maximum of three credits in ANTH/SOCY can be used towards elective credits. Pass/fail classes and the Public Health Internship (PBHL/HAPP 470) do not count towards the Minor.
